August 2020

Dear new Iowa State University student,

We wish to congratulate you on your acceptance to Iowa State University. You have checked on your application form that you are a Lutheran. We are writing to let you know about the ministry we have to students at Memorial Lutheran Church and Student Center.

Memorial is a mission of Iowa District West of the Lutheran Church Missouri Synod, but we minister to other Lutheran students as well. How we do that is changing as we adapt to COVID-19 mitigation techniques. Our current plan is to offer two inside, in person services, with masks and social distancing, at 9 and 11 AM Sunday mornings, beginning on August 16. We will offer Holy Communion at the 11 AM services, as well as at outside communion stations on Sunday mornings. We also post services to our YouTube page and our church Facebook page at <https://www.facebook.com/mlcames>. We hope to have Bible studies and other activities in person and via Zoom, but details on that are still being worked out. Learn more about Memorial by visiting our web site www.MemorialLutheranChurch.org, checking out our student facebook page at <http://www.facebook.com/LSFatMLC> and following us on twitter at @mlcames. Updates to services and other opportunities can be found in those places, as well as via weekly emails.

Come visit us when you come to Ames! We are located right across the street from the Memorial Union and the Starbucks by campus, on the corner of Lincoln Way and Lynn Avenue.

We hope to see you while you are in Ames! We are praying for you during these uncertain times and for your transition to Iowa State.

Your fellow servants in Christ,

Pastor David R. Beagley
