MEMORIAL LUTHERAN CHURCH & STUDENT CENTER | SEPT. 2017 WE'RE HERE FOR YOU.

New Connections

Each semester you have to make new connections—new professors, new people in your dorm or apartments, new students in classes and organizations. Experts say what is really important for college students is to make connections with adults—not just professors, but people in the community. The Church is a community. It is an opportunity to make connections with adults. But more importantly it is how we connect with Jesus. He said, “I am the vine, you are the branches. Remain in Me and I will remain in you.” As we connect to other “branches”, we connect more to the vine, Jesus. Meeting with other Christian in church is the best way we can connect to God.
