MEMORIAL LUTHERAN CHURCH & STUDENT CENTER    SEPT. 2018    ▶ WE'RE HERE FOR YOU.

## Setting Priorities

You've probably heard the story: A speaker pulls out a jar and fills it first with big rocks, then gravel, then sand, then water. The point is not that you can always squeeze more in; the point is if you don't put the big rocks in first you'll never get them in at all.

What are the big rocks you put in your schedule? Is it your classes? Is it time for homework? Is it a club, or sport, or fraternity, or sorority? Is it friends, or video games, or family?

Jesus told his disciples to build their lives on the rock of faith. That's the biggest, most important rock. Will you put that rock in your schedule through worship, Bible study, prayer, or all of the above? Seek that first, and everything else will fall into place. –DRB
